

Georgia Tech Savannah
Elementary Science Olympiad Information

Regional qualifier will be held at Georgia Tech Savannah March 21, 2015 from 9 am to 2:30 pm.

Rain/ severe weather date will be Sat. April 18, 2015.

State ESO is tentatively scheduled for Sat., May 16th at Kennesaw State University.

Two teams from the Georgia Tech- Savannah Qualifier will advance to State ESO.

Competing schools may bring one team to the Qualifying event.

A team may be comprised of up to 20 third through sixth grade students, with no more than 8 total fifth and sixth grade students.

Please refer to the Event Rule book, which you can purchase at the [Science Olympiad Store](#) for \$20 + shipping.

Event list for the Regional Event is available. 15 events will be offered at Qualifier. Event list for State Competition is also available. 18 events will be offered at State. These competitions do **not** have matching events.

Georgia Tech Regional Qualifier strives to offer hands on events with a special focus on engineering, creating, and building for students.

A nominal fee will be charged of \$50 per team. This will be invoiced to your team 30 days prior to Georgia Tech- Savannah's Regional Qualifier. Teams must have a signed Team Listed certified by school administration submitted by March 5, 2015. Form is attached.

We are not able to offer competition to students outside our four county areas.

Homeschool students are welcome to compete in teams with paid registration.

Questions should first go to your team captain. For question about the Regional Qualifier:
