

## 2023 FDA Author Instructions

To submit a one-page abstract for a proposed paper for the 2023 FDA, please navigate to:  
[http://www.ap-concepts.com/2023\\_FDA/](http://www.ap-concepts.com/2023_FDA/)

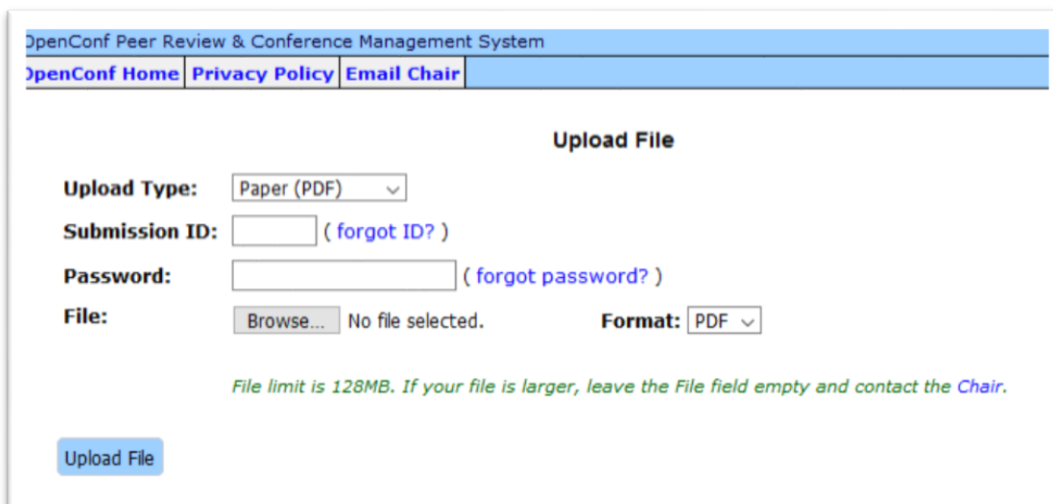

Click on Make Submission, and fill in all applicable fields, specifically,

- Check Consent check box,
- Enter Paper Title
- Enter Author Information
- Select Contact Author (and optionally an alternate contact)
- Select Paper Topic
- Enter Keywords and Abstract
- Select your password.
- Click on Make Submission button
- *Please make a note of your **Password**, as well as the assigned **Submission ID** number*

**Abstract Submission Deadline is Oct. 15, 2022.**

[The next steps are applicable only for accepted abstracts.](#)

Once your submission is accepted, please return to this site in order to upload your paper, presentation, biography etc. To upload a document, click on the **Upload File** link. Next select the appropriate “**Upload Type**” (note that several options are available: Paper, PresentationPPT, PresentationPDF, Author Form, and Biography), and enter your **Submission ID** number and **Password**. (See Figure below).

The screenshot shows the 'OpenConf Peer Review & Conference Management System' interface. At the top, there are navigation links: 'OpenConf Home', 'Privacy Policy', and 'Email Chair'. The main heading is 'Upload File'. Below this, there are several input fields: 'Upload Type' with a dropdown menu set to 'Paper (PDF)', 'Submission ID' with a text box and a '( forgot ID? )' link, 'Password' with a text box and a '( forgot password? )' link, and 'File' with a 'Browse...' button and the text 'No file selected.'. To the right of the 'File' field is a 'Format:' dropdown menu set to 'PDF'. Below these fields is a green note: 'File limit is 128MB. If your file is larger, leave the File field empty and contact the Chair.' At the bottom left, there is a blue 'Upload File' button.

Next click on the Browse button to navigate to the file to be uploaded. Finally click on the **Upload File** button to complete the operation.
