CULTIVATING A LEADERSHIP MINDSET

## **Learning Experience Information Packet and Application**

**Leadership is action not position.**

**WORKPLACE LEARNING & PROFESSIONAL DEVELOPMENT**

---

# PROGRAM INFORMATION

The ASPIRE Leadership Learning Experience develops **individual contributors (those who do not currently supervise others)** who desire to further cultivate a leadership mindset. This learning experience is designed to help participants learn to lead from where they are.

## LEARNING EXPERIENCE DESIGN

IN-PERSON, ON-CAMPUS PARTICIPATION IS REQUIRED

PARTICIPANTS WILL COMPLETE SIX **ASYNCHRONOUS** ONLINE LEARNING MODULES AND SIX **IN-PERSON** WORKSHOPS WITH THEIR ASSIGNED COHORTS. THE PROGRAM WILL LAST FOUR MONTHS.

The program will create the conditions for participants to develop and learn fundamental leadership skills. You will work within groups of participants representing different departments across the Institute.

This experience centers on a four-competing-approaches-to-leadership framework. Participants will also learn collaborative action inquiry using their own case studies.

The experience is intended for people who do not currently manage others but desire to gain the skills necessary to develop a people leadership and lead from where you are mindset.

# PARTICIPATION REQUIREMENTS

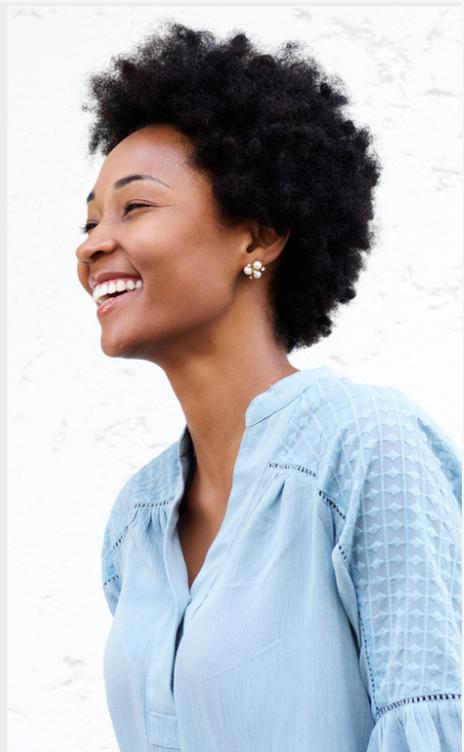

To participate in this program candidates must have their supervisor's approval and full support. Please note that **your immediate supervisor must also attend the kick-off session scheduled on September 13, 10 a.m. - 12 p.m.**

## **Supervisor as Co-learner**

One unique experience of ASPIRE is your supervisor engagement. We require your supervisor to have an active role in your learning during ASPIRE as a "co-learner," where you will engage them in post-session discussions about how to best apply your learning.

## ELIGIBLE PARTICIPANTS

Any full-time Georgia Tech employee in an individual contributor role. Eligible participants should also be in good standing in terms of performance with no disciplinary issues in the last six months.
