Post-Graduate Manufacturing Leadership Courses

How to Apply

Application Deadline: June 30, 2015

We are currently accepting applications for Fall 2015 courses. The deadline for initiating the application process is June 30, 2015.

Reference the steps below as you apply on the Georgia Tech Graduate Studies website

1. Go to the Graduate Studies website.

2. Click on “Apply Now” under the Prospective Students drop down menu.
3. Next, choose “Click here to start the application process” in the Starting a New Application section.
4. Next you will need to create an account on ApplyWeb. To do so, create a username and password, and fill in your contact information.
5. On ApplyWeb you will be asked to verify your email address.

6. When you are logged into ApplyWeb, on the Main Page click “Apply to Georgia Institute of Technology”.
7. On the Program of Study page, select the “Special Non-Degree” drop down menu.
8. Select Chemical and Biomolecular Engineering from the list of programs. Be sure to select the correct term for which you are applying and click “Save Selection”.

9. Complete the rest of the application through ApplyWeb, ensuring that you save along the way and fully submit your completed application at the end.
