

Online Master of Science in Analytics (OMS Analytics) How to Complete an Online Application

Go to the [Graduate Admissions website](#).

Choose **Click here to start the application process** in the Starting a New Application section.

The screenshot shows the Georgia Tech Graduate Studies website. The navigation bar includes links for Prospective Students, New Students, Current Students, Faculty & Staff, News and Events, About Us, and a search bar. The main content area is titled 'Apply Now' and features a photograph of a Georgia Tech building. The text below the photo reads: 'You are about to take the first step toward pursuing a graduate education – and we're delighted that you're considering pursuing it at Georgia Tech! We wish you well in your quest. If you have any questions throughout the application process, please refer to our [Frequently Asked Questions page](#) or contact the Graduate Studies staff by email at gradinfo@mail.gatech.edu or call 404.894.1610.'

Starting A New Application

To apply to any program at Georgia Tech, you will complete an online application, which is hosted by CollegeNet. (You will be entering your information on their secure server.) You will be asked to create a user ID and password. Please write both down for future use. Don't worry about completing the application at once. You may start it, save it, and return to it at a later time using your user ID and password. Also, remember to visit your program's information page and complete all additional requirements. The screenshot displays the 'Graduate Admissions' application interface. On the left is a sidebar titled 'Application Sections' with a list of sections: Application Information, Program Selection (highlighted), Enrollment Information, Personal Information, Citizenship Information, Residency Verification, Academic History, Test Scores, Letters of Recommendation, Additional Information, Georgia Residency Application, and Supplemental Questions. A note at the bottom of the sidebar states 'Locked pages will open as requirements'. The main content area is titled 'Graduate Admissions' and 'Part 1: General Application cont'd'. A note reads: 'Note: You may select only one program per application.' Below this is the 'Program of Study' section. It features a search box with 'Online' entered, and buttons for 'Show All Programs' and 'Filter by...'. A message box says 'Click on any organization to display available programs.' Under the 'Masters' heading, a card for 'Master of Science in Analytics- Online' is shown. It has a 'Select Term:' dropdown menu set to 'Spring 2019' and a 'Save selection' button. Below the card is 'Program Info' text: 'This is for the **ONLINE** Master of Science in Analytics. If you wish to apply for the **ON-CAMPUS** program please go back and select one of the three on campus options.' It also states: 'GRE and GMAT test scores **are not required** for the Online Master of Science in Analytics however if you have taken either of these tests and wish to submit them we have given you that option. **THESE ARE OPTIONAL.**' Below this is another card for 'Master of Science in Computer Science - Online'. At the bottom of the page, it says 'Page 2 of 12' and has navigation buttons: 'Previous Page', 'Save', 'Save & Exit', and 'Next Page'. A yellow arrow points from the 'Save selection' button to the 'Next Page' button.

» Complete the rest of the application through ApplyWeb. Be sure to save along the way and fully submit the application at the end.
