

## Online Master of Science in Cybersecurity (OMS Cybersecurity) How to Complete an Online Application

Go to the [Graduate Admissions website](#).

Choose **Click here to start the application process** in the Starting a New Application section.

The screenshot shows the Georgia Tech Graduate Studies website. The header includes the Georgia Tech logo and navigation links: Prospective Students, New Students, Current Students, Faculty & Staff, News and Events, About Us, FAQ'S >, APPLY NOW >, and a search bar. The main content area is titled 'Apply Now' and features a photograph of a Georgia Tech building. The text below the photo reads: 'You are about to take the first step toward pursuing a graduate education — and we're delighted that you're considering pursuing it at Georgia Tech! We wish you well in your quest. If you have any questions throughout the application process, please refer to our [Frequently Asked Questions page](#) or contact the Graduate Studies staff by email at [gradinfo@mail.gatech.edu](mailto:gradinfo@mail.gatech.edu) or call 404.894.1610.' Below this, there are two sections: 'Starting A New Application' and 'Finishing a Previously Started Application'. A yellow arrow points to the link 'Click here to start the application process!' in the 'Starting A New Application' section.

Create an account on ApplyWeb with your email, password, and personal information. Please follow the email instructions to activate your account.
