

## Professional Master's in Applied Systems Engineering (PMASE) How to Complete an Online Application

Go to the [Graduate Admissions website](#).

Choose **Click here to start the application process** in the Starting a New Application section.

The screenshot shows the Georgia Tech Graduate Studies website. The navigation bar includes links for Prospective Students, New Students, Current Students, Faculty & Staff, News and Events, About Us, and a search bar. The main content area is titled 'Apply Now' and features a photograph of a Georgia Tech building. The text below the photo reads: 'You are about to take the first step toward pursuing a graduate education – and we're delighted that you're considering pursuing it at Georgia Tech! We wish you well in your quest. If you have any questions throughout the application process, please refer to our [Frequently Asked Questions page](#) or contact the Graduate Studies staff by email at [gradinfo@mail.gatech.edu](mailto:gradinfo@mail.gatech.edu) or call 404.894.1610.'

**Starting A New Application**

To apply to any program at Georgia Tech, you will complete an online application, which is hosted by CollegeNet. (You will be entering your information on their secure server.) You will be asked to create a user ID and password. Please write both down for future use. Don't worry about completing the application at once. You may start it, save it, and return to it at a later time using your user ID and password. Also, remember to visit your program's information page and complete all additional requirements. [Click here to start the application process!](#)

**Finishing a Previously Started Application**

If you have already started an application and have not submitted it, you can use your self-created username and password for CollegeNet and log in to finish your application. [Click here to continue, finish, or submit your previously started application.](#)

Create an account on ApplyWeb with your email, password, and personal information. Please follow the email instructions to activate your account.

Last Name

Date of Birth

Verify your email address and sign into ApplyWeb with your username and password. Select **Online Application** from the Online Application Menu.

The screenshot shows the 'Online Application Menu' with three main sections: 'Getting Started', 'Apply Online', and 'Manage Your Account'. The 'Apply Online' section is highlighted with a yellow arrow pointing to the 'Online Application' link.

- Getting Started**
  - Create a new account or log in using your email address.
  - Create Your Account
  - Account Directions & Information
- Apply Online**
  - Get started or continue work on your application today.
  - Online Application
- Manage Your Account**
  - Update your information and keep track of already completed applications.
  - Change Your Password
  - Forgot Your Log In Information?

Proceed through the application sections. Once at the Program Selection section search for **Professional** as your Program of Study. Select **Professional Master's in Applied Systems Engineering**.

The screenshot shows the 'Graduate Admissions' application form. The left sidebar lists 'Application Sections' with 'Program Selection' highlighted. The main content area shows 'Part 1: General Application cont'd' with a search for 'Professional' and a list of programs including 'Professional Masters in Applied Systems Engineering', which is highlighted with a yellow arrow.

**Application Sections**

- Application Information
